**WE COUNT**

**BREVARD COUNTS. EVERYBODY COUNTS.**

# **REASON #2** to Complete Your Census Form:

## **It's important**

Census data will be used to establish state legislative districts and determine the number of seats Florida has in the U.S. House of Representatives.

More than \$400 billion in federal funds is distributed to local governments each year for education, public safety, housing, roads, public transportation and other community services. An undercounting of even 1,000 residents could mean a loss of millions of dollars to your community. Fill out your census form, and be counted.
