YOU COUNT

BREVARD COUNTS. EVERYBODY COUNTS.

REASON #4

to Complete Your Census Form:

We all benefit financially

The data will determine how more than \$400 billion in federal funds will be distributed to local governments each year.

Local governments use census data to allocate funding for education, public safety, housing, roads, public transportation and other community services. An undercounting of even 1,000 residents could mean a loss of millions of dollars to your community. Fill out your census form, and be counted.
