YOU COUNT

BREVARD COUNTS. EVERYBODY COUNTS.

REASON #6

to Complete Your Census Form:

It helps us plan for future needs

Data will be used to forecast housing and transportation needs, draw school district boundaries, and develop community assistance programs.

Local governments use census data to allocate funding for education, public safety, housing, roads, public transportation and other community services. An undercounting of even 1,000 residents could mean a loss of millions of dollars to your community. Fill out your census form, and be counted.
