Dear Charter Review Commissioners:

I apologize for my absence at your final Charter Review Commission hearing, however, I recently relocated and no longer reside in Florida. I am grateful for the consideration you have given to Proposal #42 relating to creating a provision outlining a process by which the Brevard County Charter may be repealed by a vote of the electorate. I encourage you both individually, and collectively, to support this item and vote favorably for inclusion on the ballot this November. Thank you, again, for your commitment to the community through your service on the CRC and for your thoughtful consideration of my Repeal the Charter Proposal.

Respectfully submitted,

Al Yorston
