AGENDA	
Proposal #	23
Item No.	X. B.

**AGENDA REPORT**  
*BREVARD COUNTY CHARTER REVIEW COMMISSION*

SUBJECT:                   Section 2.6   SALARY AND OTHER COMPENSATION

PETITIONER:             Neta Harris, CRC appointee – District 1

Requested Action: Add Purpose and Accountability

Delete all wording in 2.6.

Replace with:    The salary of each County Commissioner shall be 50 percent of that prescribed by law. The salary shall constitute full compensation for all services and in-county expenses, except that out-of-county expenses, as permitted by law, shall be permitted. The Chairman shall receive additional monies in the amount of 25 percent of the basic salary for the period of time such person serves as Chairman of the Commission

Summary Explanation & Background:

Compensation for the Boards of County Commissioner within the State of Florida is set by the State Legislature; however each Board has the latitude of adopting, by internal Ordinance, the monetary level of that compensation for a two year period.

Salary can be increased or decreased by the will of the Commission within the guidelines set by the State Legislature. Approval by the voters of Brevard County for the suggested decrease in salary of the Brevard County Board of County Commissioners would require that they create an Ordinance that answers the desire of the citizens who voted in favor of this proposal in numbers great enough to assure its passage.
