PETITIONER: Neta Harris

Requested Action:
 Add to Article 1; Section 1.7.1 Establish a Rural Boundary and Rural Area with legal descriptions and mapping to be included in the Brevard County Comprehensive Plan as Future Land Use Designations.

Summary Explanation & Background:
 Future Land Use Designations contained in the Brevard County Comprehensive Plan shall speak to the control of density and intensity of development, including consideration of wetlands and flooding, on all Rural Lands as this term is defined. The Board of County Commissioners must approve all changes to the future land use designations of all Rural Lands, regardless of whether some or all of the Rural Lands are located within a municipality.
