AGENDA	
Proposal #	27
Item No.	X. B.

**AGENDA REPORT**  
*BREVARD COUNTY CHARTER REVIEW COMMISSION*

SUBJECT: Section 2.3. Qualifications of County Commissioners

PETITIONER: Bryan Hein

Requested Action:

Potential Commissioners should be subject to attest of their knowledge of the constitution, as they will be sworn in to uphold said constitution.

Summary Explanation & Background:

Upon election, a Commissioner swears to uphold the US and FL Constitution. If a Commissioner does not know or understand these documents they cannot fulfill their oath to office.

For example, I have been told first hand by a commissioner that they “are not hip on the Constitution.” I do not comprehend how one can swear to uphold something they don’t understand, and this would filter those types of people out of government.
