Item No.	IX. A.

AGENDA REPORT
BREVARD COUNTY CHARTER REVIEW COMMISSION

SUBJECT: Section 4.1 Abolish Constitutional Officers/Establish Charter Officers

PETITIONER: Matt Nye

Requested Action:

Add an amendment to the Brevard County Charter abolishing the Constitutional Offices of the Clerk of Courts, Property Appraiser, Sheriff, Supervisor of Elections and Tax Collector and creating Charter Offices of the Clerk of Courts, Property Appraiser, Sheriff, Supervisor of Elections and Tax Collector. The holders of the former Constitutional Offices would be retained, and would constitute the initial Charter Officers.

Summary Explanation & Background:

Just as the creation of the County Charter seeks to give a greater voice into and more control over county government to the citizens of Brevard, so this amendment would move the management and oversight of these offices one step closer to the citizens of Brevard County.
