September is Library Card Sign-up Month

BREVARD COUNTY, Fla. – “The library card is the smartest card in my wallet,” says Dwayne Wade, NBA champion and Olympic gold medalist, in posters distributed by the American Library Association.

September is Library Card Sign-Up Month, and Brevard County Libraries want to make sure all residents of Brevard County have the smartest card of all – a library card.

Today’s libraries are thriving technology hubs that many residents rely on as either their first or only choice for computer and Internet access. Brevard County Libraries provide citizens with not only the tools to be literate, but to be information literate as well.

“There’s a lot happening at Brevard County Libraries, and the best part for our residents – in these tough economic times – is that it’s free with a library card. Getting a card is easy. Just visit www.mylibraryworld.com or phone your local library, and staff will answer any questions you may have,” said director Cathy Schweinsberg.
