What are your Space Coast favorites? 'Hidden Gems' meetings held in August

SPACE COAST, Fla. -- If you live here, you probably have an idea of some great places and activities -- *Hidden Gems* of Brevard County -- that visitors to the Space Coast would like to experience. The Space Coast Office of Tourism would like to hear from you!

The Space Coast Office of Tourism is holding three public meetings to promote the best of those ideas and wants to hear from you.

Be prepared to answer pressing questions like:

What is the best beach to walk? Where are the most family-friendly activities found? Where are the best places for honeymooners to go? What is a "must-see" for the visiting nature-lover?

Exchange ideas with the county's top creative planners on attractions and activities that visitors would enjoy, and come to one – or all three – of the *Hidden Gems* meetings. This is an opportunity to be a voice in Brevard County tourism.

The Hidden Gems Meetings will take place from 5:30 p.m. to 7 p.m. at the following locations:

Aug. 24: Dixie Crossroads
1475 Garden Street, Titusville

Aug. 25: Brevard Zoo
8225 N. Wickham Rd., Melbourne

Aug. 26: Comfort Suites
1175 Malabar Rd. NE, Palm Bay

Meetings will include free refreshments and door prizes. Come and have your tourism ideas heard! For more information, contact Tom Bartosek at the Space Coast Office of Tourism at (321) 433-4470 or via email: tom.bartosek@brevardcounty.us.
