

Early Start Permit

Request is hereby made to start the work delineated in the building permit application and plans identified below prior to the final approval and issuance of the permit pursuant to Brevard County Code of Ordinances Chapter 22, Article II Florida Building Code, Section 22-47 (104.5.4). In order to process this early start request, a building permit application must be submitted for the proposed project and deemed sufficient for review. The contractor's license and insurance information must also be on file and up to date with Brevard County.

Permit Application No: _____ Date: _____

Project Address: _____

Contractor Name: _____

CONTRACTOR ACKNOWLEDGEMENT: the undersigned contractor acknowledges and agrees that approval of this early start permit is subject to the following terms and conditions:

1. All work done pursuant to this request is entirely at the risk of the contractor and Brevard County shall not be held liable for any damages or losses resulting from this work; and
2. Approval for early start does not constitute a guarantee that the permit application will be approved as submitted or that a permit will be issued nor shall approval prevent Brevard County from requiring correction of errors on plans, construction, or violations of code; and
3. Work completed shall not be concealed and shall remain open for inspection. Inspection shall not be made for any construction until a building permit has been issued; and
4. Early start approval is for interior construction only.
5. Early start approval does not grant authority to violate, cancel, alter, or set aside any provisions of the building code or any other local, state, or federal, ordinance, law, rule, or regulation.
