

DISCLAIMER

SUBD./PROJECT _____

LOT: _____ BLOCK: _____

STREET ADDRESS: _____

CITY: _____

PERMIT NUMBER: _____

The Sanitary Sewer System for the above listed subdivision has not been completed or accepted for activation by the Brevard County Water/Wastewater Division at this time.

No sewer connections or Certificate of Occupancy will be approved for any construction within this subdivision until all the Administrative and Technical requirements have been met, and the sewer system has been approved and accepted.

APPLICANTS ACKNOWLEDGMENT

I as the applicant or the applicants authorized representative, have read the above statement and understand that connection to the sewer system will not be allowed until the sewer system has been accepted for operation by Brevard County Water/Wastewater.

I also understand that prior to issuance of a Certificate of Occupancy any discharge into the sanitary sewer system is a violation of the Brevard County Code for Water and Sewer Systems.
