Subject: Private System Request

Dear Mr. Martens:

At this time I wish to request that the on-site sewer system for my proposed project

(Project Name)

located at _____
(Address/Location)

be retained as a private system. This is a single parcel that will not be subdivided. I understand that we will be responsible for all operation and maintenance of the system and that sewer service will not be provided to off-site properties. The names and phone numbers for emergency contact purposes are:
