PRIORITIES AND PHASING

Each alternative has both benefits and costs to Valkaria Airport and the surrounding community.

Please **RANK the proposed improvement categories** based on your assessment of both the benefits and costs of each improvement category. For examples, an improvement that would provide substantial benefit (e.g. safety, financial, etc) with a minimal cost (e.g. community impact, financial, etc) would likely rank higher than a high-cost, low-benefit improvement.

In addition, provide a short summary of both your MOST preferred alternative AND your LEAST preferred alternative.

- A. Runway Improvements
- B. Taxiway Improvements
- C. Hangar Improvements
- D. Aircraft Apron Improvements
- E. Golf Course Apron Improvements
- F. General Aviation Terminal Improvements
- G. Aircraft Fueling Facility Improvements
- H. Airfield Lighting Improvements
